1	Factory Visit	Contractor arranged the factory visit on 30.08.2021.	Uzma/ Franklyn	Cat 3			Open	
	Upon Factory visit, Following are the CDM observations :							
1a-		The Existing Signage of the factory building is under the name: 'ALUMCO'. It is informed that ALUMCO is undertaken by 'Trustful Trading Contracting & Services' four years ago. Submittal includes CR & establishment card copies under the name of 'Trustful Trading Contracting & Services' whereas, building external & internal signages entitles ALUMCO.	Uzma/ Franklyn	4			Open	
1b-		<u>PREMISES:</u> Building has two sections- Offices & Factory Area. There are many rooms in Offices section however most of the rooms are not occupied. Factory area is quite spacious whereas Machines pertaining to ACP & Fire rated/ Doors only, were functional.	Uzma/ Franklyn	4			Open	
1c-		<u>STAFF:</u> Limited number of available staff are seen in two sections of the Building. 2 AutoCAD operators are found in Design Office whereas 2 admin staff are located in another office. Remaining offices are vacant. only 6-8 no. of staff are observed working in operational sections of factory area. This indicates very limited projects in hand.	Uzma/ Franklyn	4			Open	
1d-		It is informed that 'Trustful Trading Contracting & Services' have executed some of the architectural works related to ACP, glass claddings & Mashrabya in Rayyan Stadium & Al Bayt Stadium.	Uzma/ Franklyn	4			Open
